

ALBANY GOES 'OVER THE TOP' IN RED CROSS FUND CAMPAIGN

Albany area has gone "over the top" in the 1948 Red Cross Drive according to the reports of Mrs. Richard W. Moulthrop, residential chairman, and Harold W. Olson, business chairman. The residential quota of \$3,200.00 and Albany's business quota of \$1,055.00 were both exceeded. Mrs. Moulthrop reported \$3,591.76 and Olson reported \$1,142.00, to make a total of \$4,733.76.

Olson stated that the sincere desire of the people of Albany to cooperate and help the American Red Cross continue in their helpful administration to those less fortunate than many of us has always assured success of each fund raising campaign in Albany.

Albany Schools all exceeded their quotas. Eugene Baker, chairman of Albany schools reported a total of \$1,065.50, with Marin School \$106.50; Evening School \$13.00; Administration Office \$17.50; Cornell School \$100.00; Albany High School \$60.00; and Commodore \$79.95.

Chairmen for Albany's non-residential were, Mrs. Myrtle McLean, for employees; Mrs. Claire McGowan, for Miss Johnson and the Ray H. Nagel, Western Regional Laboratory. Other businesses aiding in the drive were George Hein, Joe Carlevaro, Bill Hays, Dagna Jr., W. E. Ferguson, Harold Wright, Sam Locke and Jack O'Keefe.

Mrs. Carl MacWilliams, residential co-chairman stated that many of the districts have not made their goal, and much more will be received. The list of Albany's residential Area Chairmen, Captains and Workers reports will be found on page nine.

Transportation Problems Given Council Study

Transportation held the interest of the City Council Monday night as they considered two issues related to the problems of local and Albany commuters.

The Council appointed Mayor Lawrence Williams to represent Albany on the Bay Area Transportation Committee formed in San Francisco to study area-wide transportation problems.

The possible levying of a franchise tax against the Key System use of city streets was proposed by Councilman Bert E. Hill. He suggested the city levy a tax similar to that now in effect in Berkeley but City Attorney George Glavinetti asked that action be postponed as city attorneys from 10 Bay Area cities are now studying the matter.

Name Hi School PTA Nominating Committee

Members of the Albany High School Parent-Teacher Association nominating committee to select a slate of officers for the coming year are Mrs. Al Magazin and Mrs. Mary Hildebrand with Mrs. Hugh McAlister, alternate, representing the executive board; Mrs. Irving Green and Mrs. Sigmund Odegard, representing the membership; and Mr. Charles Moore, principal of the High School.

Mrs. Frank Tamba, president, reported that the election will be held at the regular monthly meeting, March 8, and officers will be installed at the regular meeting in April.

Fiesta Committee To Meet Monday Nite

The Spanish Fiesta committee will meet at the home of Mr. and Mrs. Lloyd Hogan, 1558 Sonoma Avenue, at 8:00 p. m., Monday, March 22, to complete plans, according to Lloyd Gowen, general chairman.

The Spanish Fiesta, to be held in the high school auditorium, April 7, 7:30 p. m. to midnight, is sponsored by the Albany High School Club and the Parent-Teacher Association. Tickets will be 50c for adults and 25c for students. Proceeds will go to a movie projector for the high school.

All the committees have been making arrangements to provide an interesting evening full of entertainment and dancing for the members of the family.

Albany Boosters Will Honor Two Baseball Stars

To prove again that they are really "the organization that knows how," the Albany Boosters are going all-out to honor two East Bay former "greats" of baseball, Charles "Chick" Hafey and Ralph "Red" Kress. The two former major league stars will be guests of honor at a dinner party at the Palm Gardens on Thursday night, March 25.

Tickets for the big affair are selling on a first come first served basis and may be had by calling at the Palm Gardens, 1936 Solano Ave.

Chick Hafey was a ten year man in the majors and is recalled for his feats with the St. Louis Cardinals. He was a World Series star for the Cards and finished his career with Cincinnati. He is now a "Gentleman farmer" in California.

Red Kress, another 10-year man in the majors, played for the St. Louis Browns, Washington and Detroit. He played every position on the team one season for Washington. Still in baseball, Red is currently a coach for the New York Giants.

Famous Ballerina On Third Spring Program Of Local Concerts

Mrs. Ted Williams, secretary of the Albany Community Concert Association this week announced the third and final concert in their spring series at Albany High School auditorium. The program announced for April 2 will present Mia Slavenska, acclaimed as one of the most beautiful ballerinas of all time.

Slavenska, returned to the concert stage this season at the head of her own new dance company, The Slavenska Ballet Variete with George Zorich and Joey Harris heading her troupe of exciting young dance personalities. Slavenska and her dancers are now making a transcontinental tour of the United States, Canada and Mexico.

Movie fans remember Slavenska as the star of the motion picture "Ballerina." She came to American as prima ballerina of the Ballet Russe de Monte Carlo. Audiences lauded her dancing in the stellar roles of such ballets as "Coppelia," "Giselle," "Swan Lake" and "Les Sylphides."

Candidates' Whist Planned by NDGW

Albany Parlor No. 260, Native Daughters of the Golden West will hold a "Candidates' Whist" Wednesday, March 31, according to Wemple Parker, chairman. The candidates have contributed many worthwhile prizes for the party to be held at the Maccabee Temple, 985 Kains Ave. Games will start at 8:30. The price of 50 cents for cards will include refreshments.

LOCAL CRIME INCREASE POINTS UP NEED FOR CITY CHARTER CHANGES

When crime in America took a sharp increase during 1946 and 1947 Albany was not spared her share in the unrelenting limelight. A comparison of records for January of 1948 with the same month in 1947 shows an increase from 403 cases requiring special handling and care in 1947 to 450 in 1948.

The rapid growth of the city and the increase in crime and traffic has brought into sharp focus the need to obtain the utmost efficiency from every member of the police department. The many and complex problems arising in a police force call for specially trained personnel to competently handle the cases.

To further the efficiency of the local department, there is a definite need for the creation of the office of police inspector. Such action will enable one of the present officers with special adaptability and training to conduct investigations and interrogations in a quick, efficient manner to further the suppression and detection of crime.

Statistics again point up another pressing need in the local department.

Mayor Calls Meeting To Plan Celebration For Independence Day

Mayor Lawrence F. Williams this week called for all civic and fraternal organizations, representatives of local merchants and lay persons to attend a meeting in the City Hall on Monday night, March 29 to discuss the annual city-wide celebration of Independence Day.

Williams asked that all organizations in the city appoint three representatives to serve for their group at the meeting which will start at 8:30 in the Council Chambers.

The mayor stated that many local organizations and businessmen had expressed the desire to celebrate the Fourth of July in a safe and sane manner which "will express the gratification of all the people of Albany for the victorious and successful termination of the recent world conflict."

Last year the city staged a very successful parade and day of athletic events, contests and games, a folk dance festival and ball in celebration of Independence Day.

More Groups Sign In Community Center Support

Public support of the plan to erect a community center building for the children and adults of Albany continues to grow, according to Mason Layton, temporary chairman of the Public Community Center Committee. This week Albany Parlor 260, Native Daughters of the Golden West, Albany Maccabees, American Legion Auxiliary Unit 292 and the Pre-School Mothers' Club pledged their support of the plan.

Endorsements were received previously from the Lions, Eagles, American Legion Post 292, Exchange, Exchanges and St. Ambrose Church.

Organizations must signify by March 31 whether or not they favor the plan and will support a movement initiated by the American Legion Youth Committee to make further studies and recommendations to the Park and Recreation Commission and City Council for action.

Layton said that if a majority of the replies are favorable, a meeting will be called in early April to elect a permanent chairman and committees to investigate the size of building needed, location and cost. The committee will serve in an advisory capacity to the Park and Recreation Commission, who will submit a complete report, after a thorough investigation, to the City Council.

Mary P. Williams Club

A meeting of the Mary Parker Williams Club, a branch of Albany Chapter, O.E.S. was held at the home of Florence Townsend, 819 Talbot Ave., on Wednesday evening, March 10. Ann Lassen presided.

Whist Parties to Aid Girl Scout Campsite Fund

Friday, April 9, has been set aside as Albany's big night for whist benefit parties in behalf of the Girl Scouts of Albany, who are cooperating with the Girl Scouts of Berkeley and Kensington in the important undertaking of raising funds for purchase and development of a new Scout campsite.

Marin and Cornell Schools will both hold whist parties on April 9, at 8 p. m., as a joint effort to raise Albany's share of the camp fund. The auditoriums of both schools will be the settings for the parties.

Tickets, at 50c, are now on sale through Girl Scouts and leaders at both schools. Whist players are requested to attend the party in their own school area.

Benefit door and other prizes will be presented during the evening. Purchasers of tickets do not have to be present to qualify for the door prizes, it is announced.

Mrs. Carl Nieper is chairman of the Cornell party, representing 5 Scout troops at that school. Mrs. Verdon Garner is chairman of the Marin party, representing 10 Scout troops there.

Easter Party for Pre-School Tots Planned by Mothers

The Albany Pre-School Easter Party is the next important event on the calendar of the Pre-School Mothers' Club. The party for the tots of the pre-school will be given Thursday morning, March 25, at the Recreation Center. Dozens of brightly colored eggs will be "hidden" on the playground and the children will gather them in small, gaily decorated wheelbarrows.

The eggs will be divided evenly, and each youngster will take home an Easter Basket full of eggs, cookies and Easter candies. All preparations are under the supervision of Helen McGimpsey, the new social chairman. Mothers will color the eggs, donate the cookies and decorate the tables for refreshments.

Other business discussed at the regular meeting on March 10, included a report by the building committee which attended the recent meeting to discuss possibilities for a Community Center. The club voted unanimously to endorse the project.

New Mothers introduced at the meeting were Mildred Bradfield, Barbara Covey, Veronica Darlington, Dorothea Crouch, Mildred Galloway, Martha Hickman, Doris Miller, Martha Olson, Peggy Pyle, Ellen Radder, Helen Selle, Mildred Warrington and Ann Williams.

Albany Tire Service Adds Wheel Alignment And Brake Service

George Fiderio, owner of the Albany Tire Service at 742 San Pablo Ave., local headquarters for United States Tires, this week announced the opening of a modern, well equipped wheel alignment, balancing and brake shop along with his complete tire service.

"A specialized shop for wheel alignment and brake service is something this community has wanted" for a long time," stated Fiderio.

Ray Baumann, a factory trained specialist and graduate of the Bear Alignment School of Rock Island, Ill., has been engaged to take complete charge of the new service.

According to Baumann, the average car owner does not understand the importance of keeping wheels in balance. "A wheel," he said, "can be out of balance, two ways: With Static Unbalance, a wheel tends to bound up and down due to extra weight at one point. With Dynamic Unbalance, an extra weight on one side of the wheel causes the wheel to wobble and jerk side-ways. Together, the two cause a variety of motions that create vibration and extra strain on the entire front and assembly."

Established here in 1940, the Albany Tire Service has steadily grown in popularity among local car owners. Fiderio's large stock of U. S. Air Ride Tires assure drivers of complete operational safety in addition to driving ease that is "like riding on a cloud."

MARCH 27 SET AS DATE OF EASTER EGG HUNT

The young and the old of Albany are due for a good time on Saturday, March 27 when the 12th annual city-wide easter egg hunt takes place in Memorial Park at 10 a. m. Sponsored each year by the City Recreation Department, the hunt has the support of civic and fraternal organizations including Albany Merchants, Exchange Club, Rotary Club, Police and Fire Department, Lions, Soroptimist, Junior Chamber of Commerce, American Legion Post 292, Eagles, Maccabees and American Legion Auxiliary Unit 292.

MORGAN'S MEANDERINGS By M. S. T.

Acclaimed as one of the best speakers they have heard in many a day, Walter Gordon, chairman of the State Adult Authority and member of the California Parole Board, held the Exchange Club spellbound with his talk on crime and punishment. Questions flew thick and fast at the close of his talk and many had to be left unanswered as time ticked away.

Brownies and Scouts, sponsored by Cornell School P.T.A. are working like beavers to get everything shipshape for a benefit card party to be held on April 9.

The boys in the fire house are watching with hungry interest a building race between Chief Pimental and Ken Symington. The Chief is racing to complete an addition to his summer cabin while Symington labors on a 28-foot cruiser he plans to launch at Richmond. Meanwhile the rest of the boys sit back and lift not a finger to help either contestant for whoever loses they will win. The payoff comes when the loser treats the entire department to a turkey dinner.

Three lucky ladies will blossom forth in the Easter parade with frothy new hats as winners of a benefit event of the big Police and Fire Club dance Friday night. A choice of one of 25 bonnets donated by Mrs. Louise White, owner of Marcia's Dress Shop and modeled by three lovely young things went to Mrs. Barbara LaPlant, 1144 Washington St.; Mrs. W. E. Ferguson, 1224 Marin Ave., and Fire Chief Edward Schlesson of the Emeryville hook and ladder boys. The door prize, a spiffy looking radio, went to Hill Lumber Co. and the fruit juicer was awarded to Milady's Beauty Shop. Prominent among those present were Councilmen Raymond F. Cleary and Frank Graeber, nuff said!

New Mark-Down In Mary's & Joe's Remodeling Sale

The giant clearance sale at Mary's and Joe's, 913 San Pablo Ave., took another startling turn this week when they again marked down most of the items already selling at amazingly low prices.

Mary and Joe Carlevaro have affected the new cut in prices to bring the sale to a whirlwind finish and start work on the remodeling of their store.

One of the outstanding events at the sale which has been bringing record-breaking savings to local buyers is a one-cent sale on ladies' shoes. Shoppers may buy one pair of shoes and get another for just one cent. Other thrifty bargains are advertised on pages eight and nine of this issue.

Cookie Sale

Homemade cakes, pies and cookies will be sold at Dagna's Market, 1382 Solano Avenue, on April 17 by members of the Albany High School Parent-Teacher Association, for the benefit of the scholarship fund according to Mrs. Hugh Galbraith, scholarship chairman.

Exchangette Club

The Albany Exchangette Club saw colored pictures taken by Mayor Lawrence Williams on a trip to Alaska last summer when they held their regular meeting on Thursday evening at Cook's Diner.

The program was arranged by Mrs. Kay Beidler. The President, Mrs. Evelyn Gordon presided.

Homemaking Today

By Barbara Foote
P. O. and E. Home Economist, Oakland

Regional cookery provides a good
source of ideas for informal enter-
taining or giving your family a
pleasant surprise. Perhaps you are
already one of the many home-
makers who enjoy collecting recipes
for favorite dishes of other parts of
our land. It's fun, and a few stand-
bys mastered through practice can
add greatly to your reputation as a
cook.

New England's Saturday night
baked beans and brown bread is a
regional meal that has become a
national favorite. Still, there's an
art in giving it the flavor that marks
it as truly New England. It is a
thrifty meal and requires little last-
minute preparation. To complete it
you might serve a green salad or
cole slaw tossed with a zippy salad
dressing. Dessert should be light—
perhaps fruit cup or sherbet, served
with plain butter cookies.

Here is a recipe for old fashioned
baked beans cooked long and
slowly, which is part of the secret.
The brown bread recipe is also a
good one.

OLD-FASHIONED BAKED BEANS

2 cups navy beans
1/2 teaspoon salt
1 medium-sized onion
1/2 cup unsifted molasses
1 teaspoon dry mustard
1/2 teaspoon ginger
1/4 cup catnip
1/4 pound salt pork or bacon

Wash beans; cover generously with cold
water and soak overnight. When ready to
cook, add salt and onion, and if necessary
add additional water to cover beans. Bring
beans to a boil and simmer until half done
(skins break). Remove onion. Drain and
save liquid. Combine molasses, spices, cat-
nip and 1/2 cups of the bean liquid. Pour
boiling water over salt pork and dry with a
clean cloth. Place half of pork in bottom of
bean pot. Add beans. Place remaining pork
on top of beans. Add liquid mixture. Cover.
Bake beans for 6 hours in an oven preheated
to 300° F. Remove cover and bake one
hour longer. Add additional water as needed.
Makes 8 to 10 servings.

If the long cooking time does not
fit into your schedule, you may prefer
the quick method for baking
beans. Follow the recipe for Old-
Fashioned Baked Beans but sim-
mer the beans until tender and de-
crease the molasses to 1/4 cup. Bake
for 1 1/2 hours in an oven preheated
to 325° F., then remove the cover
and bake 15 minutes longer.

STEAMED BROWN BREAD

1 cup unsifted whole-wheat flour
1 cup unsifted rye flour
1 cup corn meal
1/2 teaspoon baking soda
1/2 teaspoon salt
1/2 cup molasses
2 cups sour milk or buttermilk
1 cup seedless raisins
Combine the dry ingredients. Stir in the
molasses and sour milk. Add raisins. Fill
well-greased, 12-ounce cans 2/3 full of batter.
Cover tightly with heavy brown paper and
fasten with string. Set the cans on a rack in
large kettle. Pour in boiling water to half
the depth of the cans. Cover the kettle
tightly and steam for 2 hours, keeping the
water boiling throughout the entire cooking
period. Serve hot with baked beans. Makes
3 loaves.

Caldecott to Report
On Indigent Problem

Supervisor Thomas E. Caldecott will report on the indigent aid problem in Alameda County at the meeting Thursday in San Francisco of the Central Coast Tax Committee of the California State Chamber of Commerce.
The meeting has been called to give consideration to the problem of mounting costs of indigent aid in metropolitan counties. Representatives of the central coast counties will meet at 350 Bush Street, San Francisco at 10:00 a. m.
"Alameda County is well prepared to meet the indigent relief problem during the present fiscal year," Caldecott said, "but considerable planning has to be done to make sure of this county's ability to meet future situations."
"Purpose of the meeting Thursday is to study long-range needs of the counties in this area, and to formulate plans now to meet any emergency which might arise."

Acting in reply to a letter of request from residents in the neighborhood, Albany police are studying the possible safety improvements for the intersection of Thousand Oaks Blvd. and Carmel Ave.

LAMB FOR BALMY DAYS

There's spring in the air when a delicious, tender, rolled shoulder roast of lamb is on the table. Such a roast speaks of Easter, and all the balmy days that follow. Serve it with succulent green peas in toast cups, and favorite creamed cauliflower.

**Local Navy Man Visits
Dutch Lowland Towns**

Paul L. Lee, chief gunner's mate, USN, husband of Mrs. Verna H. Lee of 807 Carpiel Ave., Albany visited the Dutch seaport of Rotterdam when the light cruiser USS Spokane paid a courtesy call to the Netherlands.

Leaving war-scarred Rotterdam on a specially arranged tour, he visited many of the small towns of the lowland country.

A highlight of the tour was a visit to the Peace Palace in The Hague, The Hague, although badly hit by the war, proved of special interest. Approaching the Royal Palace of the ruling family of the Netherlands via a wide avenue built by Napoleon Bonapart, the Spokane crewmen were impressed by the beauty that still remained despite the ravages of German conquest and occupation.

Among the many Dutch persons to visit the Spokane while it was moored on the Maas River at Rotterdam's Park Kade, was Prince Bernhard, consort of Crown Princess Juliana.

TEAMWORK
to SAVE electricity**

Water is the lifeblood of California, and the burden of the critical water shortage must be shared by all. Not just the farmer! Industry, labor, business and the home must carry their share.

Long, dry months are ahead. Likelihood of appreciable rain diminishes daily. WATER MUST BE SAVED IN RESERVOIRS to meet even minimum requirements for domestic water supplies, irrigation and power production the rest of the year.

EVERY KILOWATT HOUR OF ELECTRICITY SAVED IS WATER CONSERVED!
ALL POWER THAT CAN BE SAVED MUST BE SAVED!

Teamwork today, through complete and conscientious cooperation with the Public Utilities Commission power curtailment program, will help forestall more severe restrictions later on.

Effective cutbacks by business, agriculture and industry today will minimize shutdowns and unemployment necessary despite all human efforts to counteract the drastic effects of drought in California.

here's how YOU can help:

1 FARMER
You, of course, are hardest hit by drought. But everyone else is sacrificing to help you. Industry is taking drastic cutbacks in production. Labor is taking cutbacks in shortened work weeks. Business is working literally in the dark and sacrificing revenues. Housewives, too, are on the team. Your share is a major contribution... closing down one day a week your pumps that put precious water on your parched land. Any other power saving you can make will stretch your water supply.

2 INDUSTRY
Management and labor alike are part of the team. Industrial economy and payrolls are inseparable from California's farm economy. And water is as vital to industry as it is to the farm because the bulk of the power that turns industry's wheels depends upon water. Industrial curtailments today forestall more drastic restrictions and greater manpower layoffs later. Every saving you can make will stretch your power supply.

3 BUSINESS
Butcher, banker, merchant... your business in this state is part and parcel of the State's economy. Your contribution in power curtailment is vital to you as well as to the farmer, the industrialist and the laborer. You owe conscientious cooperation to your neighbor as well as to yourself. Police your own premises. See that the Commission's curtailment orders are carried out to the letter. And take whatever further steps you can find to save power and thus conserve precious water.

4 HOME
No power saving is too little to save water. Switching off one little light bulb for one hour seems a small way to cooperate in this emergency. But multiply your one light by thousands of homes in Northern and Central California and you will save enough water to operate a giant 100,000 horsepower electric plant for that one hour. Housewives can and must play a helpful role during this emergency. Switch off and turn out appliances and lights when not in use. Every little bit of electricity you save contributes to the public good.
